

Check this on the Earn site is in the Header the Coins/ Profile missing

The Earn on Device in Category is missing to and the Listing if you choice something in the filter is missing

The screenshot displays the Monetars website interface. At the top, the header includes the Monetars logo, navigation links for Earn, Withdraw, Leaderboard, and Rewards, and a user profile section showing 0 coins and a profile picture. Below the header, a row of user avatars and balances is visible. The main content area features a filter bar with 'Earn on' (Windows, Android, Apple) and 'in' (Home). Below this, the 'Featured Offers' section shows a grid of 'Prison Escape' offers from Alibaba.com, each with a 'Pin the pulls' task and a reward of 41,000 coins. A red box highlights the 'Earn on' and 'in' filter bar. Below the featured offers, the 'Offer Walls' section is visible, with a red box highlighting a question mark icon. The bottom section shows a search bar and a grid of offers, including 'Prison Escape' and 'Show Offers', with a red box highlighting the 'Show Offers' button.

Please set the Buttons on the left Side.

Remove the Welcome to Monetars and make the Box smaller

The image shows a dark-themed login and signup modal for 'MONETARS'. The modal is divided into two main sections. The left section, outlined with a red border, contains the text 'Welcome to' above the 'MONETARS' logo. The right section contains the login and signup forms. At the top of the right section, there are two buttons: 'Sign In' (blue) and 'Sign Up' (white). A red arrow points to the 'Sign In' button. Below these buttons are input fields for 'Email Address' and 'Password'. A link for 'Forgot your password? Click here to reset your password' is located below the password field. At the bottom of the right section, there is a 'Sign In' button (blue), an 'OR' separator, and a 'Google' login button (white with the Google logo). The modal has a close button (X) in the top right corner.

Remove the Buttons from the Chat

Make the Name and the Profile picture clickable and open the Profile Modal

Make in the Leaderbord also the first 3 places clickable to open the profile modal

If you click on the picture and the name

Check the file the website must adapt when the chat is opened
